Sprayview

Victoria Falls

**Cresta Sprayview, Victoria Falls, Zimbabwe**

Cresta Sprayview, situated just 1.4 km from the Victoria Falls Rain Forest entrance, is the perfect gateway for adventure seekers exploring the resort town of Victoria Falls and its surrounds. In months when the Falls are in full flood, the spray from this majestic wonder of nature rises like a column of smoke, locally referred to as "Mosi-oa-Tunya", the "Smoke that Thunders" and can be seen from the hotel, which explain from where the hotel has derived its name.

Cresta Sprayview is 20 minutes from the Victoria Falls International Airport and is one of the first hotels you encounter as you enter the town. The hotel is ideally situated, in walking distance of the town of Victoria Falls, with its accompanying restaurants and curio markets, and a short 10 minute walk to the falls.
